

2019 Battle of the Artz Participation Guidelines

Theme: DIVERSITY

Schools may interpret the 2019 theme in any way to create a film. Your film must include or feature dance, drama, voice or music or any combination of these disciplines eg:

- Video drama: tell a story or convey a point of view on this year's theme through filmed images and words. Submissions may be in any theatrical style or dramatic form or film genre (Soap Opera, Documentary, Bio-pic, A-day-in-the-life, etc) and should incorporate a variety of appropriate film, sound and editing techniques.
- Dance on film: create a short film in which dance is the central theme of a story. Submissions may include any style of dance incorporating a variety of filming and editing techniques to create the plotline around the theme.
- Storytelling through song and music composition: communicate this year's theme via storytelling through song and music composition. Submissions may include any musical style incorporating a variety of filming and editing techniques.

Films may be in any form eg: narrative, documentary, experimental or claymation.

Films **must not exceed 2 mins duration.**

Schools are asked to read Battle of the Artz judging criteria and copyright information carefully.
